ARE YOU UP TO THE CHALLENGE OF WINNING \$10,000 FOR OUR TOWN?

Get ready for the Wellmark Set the Pace Challenge! It's our chance to win a \$10,000 award for a project in our community that promotes healthy living like a park, playground or trail.

To enter, simply join the fun at the virtual Grand Blue Mile run, April 17–25.

The community with the highest rate of participation by population wins. It's not the size of our town. It's how much we want it! So get your family, neighbors, everyone you know to Set the Pace!
